"At first, I thought the \$297 price was a bit steep. But the report is excellent. Trying to evaluate the claims of the various alternatives is grasping at wind. I appreciate all of the legwork that you have done to investigate the clinics and the treatment methods. The report was well worth the money, and I have already begun recommending it to other colon cancer patients." --David R.

"When faced with the diagnosis of two separate cancers, I panicked and fell into despair. I was overwhelmed by all the information about cancer and confused about which treatments to choose. Ralph Moss and his invaluable reports rescued me. His exhaustive and up-to-date research gave me knowledge and direction, especially about progressive European clinics... The Moss Reports should be required reading for all cancer patients. I am now well on the road to recovery." --Merle G.

"I cannot tell you how much your material has meant to me. It has given me the knowledge to chart my course without fear. Knowing you are out there has had a profound effect on me. I have felt peace of mind for the first time in two months since I discovered the lump." --Zena H.

"The Moss Report was extremely helpful and hopeful. It made us feel like we were in charge of life again. You're making an incredible contribution to people who are most vulnerable." --Audrey B.

"I want to thank you for the wonderful service you are providing. When my father was diagnosed with cancer we were all in shock and didn't know where to turn for accurate, unbiased information. Your books, website and Report were like a beacon of light shining in a dark place for our family." --Roberta G. (Belize, Central America)

"Thank you so much for your time. I am quite impressed with the quality of your report..." --Suzanne B.

"Your report has helped me enormously to sort out what might be worth trying and what not. It continues to help me understand how I can change my own lifestyle for maximum health. Your writing is clear and non-technical. I can literally breeze through it." --Carole F.

"...My Moss Report has been my constant companion as I have navigated the flood of information that continues to sweep me along. I cross check everything I can with my report. As I read, I feel as if I'm actually listening to a real person talking and giving me the benefit of their vast experience and knowledge, as opposed to some commercial for the miracle benefits of this or that alternative therapy. Having your perspective makes me more confident about each decision I have to make." --Robert W.

"We refer to your report often and have found it to be a very useful tool in our search for effective alternative therapies." --Cathy S.

"I recently received The Moss Report and have been devouring the information. It is incredible and I want to thank you for the wonderful work that you do." --Jane S.

"I've been telling everyone about your Moss Reports. Out of all the things I've read about cancer, yours was by far the most helpful and impressive." --Carla K.

"We so much appreciate your terrific resource, which gave us back the power to make valuable informed choices. My dad, mom and all of us are extremely grateful!" -- Brynnie G.

"What you are doing is truly extraordinary and wonderful." --Mike S.

"Thank you for everything you have done for us this far. Becoming members of the Moss Reports has been the most helpful of anything we have found. Bless you." --Patty B.

"The Moss Report has been immensely helpful to me. Thanks for all you are doing through your reports--I'm glad I'm part of the network, and I'm telling others about you!" -- Bob W.

"Your Report has been a GREAT help! Thanks. Although there are many, many questions still swirling around in my head, at least I know that there are other people out there asking questions and other treatments other than the slash, poison and burn option primarily offered!" -- Lauren M.

"We have been pursuing multiple leads and your report has been extremely helpful." --Rob W.

"The Moss Report for colon cancer has been a great help in sorting out treatments. I have recommended it to other people because the choices out there are incredible and there is so little time to discern when you are emotionally involved." --Noreen W.

"I can't tell you what a wealth of information we found and how helpful and informative the Report was. For Anne's and Ralph Moss's hard work, I thank you. My eyes were truly opened." --Liesl C.

"Thank you very much. Your report is very helpful and comprehensive." --Bob S.

"We have received your report on gallbladder cancer and sincerely appreciate your thoroughness and writing style." -- Robert D.

"I have really been disappointed with radiation and chemotherapy and have been so glad that you steered me to more viable alternatives." --William V.

"I ordered your report some months ago and keep up with your monthly newsletter and phone message. Thank you for the treasure of information as well as the hope you offer." --Carol M.

"Thanks for your help. Your service is a marvelous resource, tremendously helpful for those of us sifting through the masses of information that we have to go through in these really stressful situations." --Stephen A.

"Your report is immensely helpful and informative. Well worth \$297, even for a struggling artist." --Dianna R.

"Many thanks for the information and referrals. It has really borne fruit. With the new chemotherapy regimen, exercise, meditation, Qi Gong and supplements we are feeling empowered. We are grateful to you and our oncologist." --Peter C.

"I thank you for all your help and have given your name to others who share similar burdens with friends and relatives who suffer from cancer." --Mel H.

"I very much appreciate that I can call on you and your staff to help me narrow the choices. Your Report is a great help, and it is especially comforting to know that I can access your extensive knowledge for further help. Much appreciation." --Carolyn T.

"After doing research on all possible conventional and alternative cancer therapies, I continuously go back to my Moss Report, the most comprehensive, useful and reliable guide to navigating the sea of contradictory information. It is our source of guidance and information." --Arturo E.

"Let me express my appreciation for your Moss Report. It is a wonderful resource. I wish I would have known of this report many months ago." --Lisa B.

"I am delighted with the Report and with such detailed information. I am telling other friends with cancer to be sure to become clients and get their copies." --Maureen D.
